

VEJAR COMMUNITY CLUB A PARENT-TEACHER ORGANIZATION

Welcome to Vejar! We'd like to explain what the Vejar Community Club is all about:

It is important to note that every school year your child attends Vejar; you automatically become a member of the Vejar Community Club. In fact, all parents or guardians of children attending Vejar, as well as each member of the professional staff, are members of this Parent Teacher Organization (PTO) and are encouraged to participate in its activities.

We are an independent organization, and do not belong to any state or national affiliation or support any political platforms. Because we are a PTO, we keep all of the funds raised for our school rather than paying state and national dues or fees.

The Vejar Community Club's mission is to work together to provide better educational experiences for our children and help them achieve their highest potential. The active members of the committee consist of both parents and teachers who volunteer their time in support of this mission. Won't you join us, and help in the decision making that will affect your child's education?

To meet this extremely important goal the organization actively fundraises through various ongoing events. Some examples include the C.A.R.E.S., Reading Incentive and Enrichment Programs – including Field Trips and Meet the Masters Fine Arts Programs, Assemblies, the Teacher start-up funds and many, many more. But as you can imagine, in order to meet all of the goals that we have, we need ACTIVE participation. WE NEED YOU!

Volunteering doesn't mean a huge time commitment, and whatever your time schedule and interests are, we can find a job for you. Any time that you are willing to offer is more valuable than we can possibly relate!
