

Vejar Science Night 2017

Egg Drop

Students are invited to make and bring
an invention to protect an egg from a **12 foot drop**

*Bring your own egg

Science activities

Families work together to Complete
Engineering and Design challenges lead by:

The School of Chemical Engineering from
California Polytechnic State University, Pomona

Families will also have a chance to plant a seed to take
home and learn how to make a green house

April 21, 2017, 6:00-7:30
Vejar Elementary School
